CLUB NEWS

Three fourths of our modeling year has moved into the history section of our newsletter. Our Bassett Place Mall Show, number 1 was a great success. As this was being written, one third of September has gone. We must be having a great time if time flies when you are having fun.

Jerry Wells is having surgery on Sept. 10 for kidney stones.

Gary Boggs had surgery during August for cancer and to remove some shrapnel from his days in Viet Nam. Gary is up and about and has attended a couple of art show opening since his surgery and he has stated that he is getting better every day.

John Estes gave a brief summary of our spending this year at the meeting. IPMS El Paso gave \$285.00 to the

National Convention for trophy packages. We provided \$426.16 for postage for models sent to several military clubs/units in harm's way. We gave 225 models to the **Ft. Bliss Wounded Warriors** unit and spent \$59.69 for a local Make and Take program for some scouts, plus **John Estes** and **Jim McDaniel** provided two more models for each scout in the unit. The club paid St. Paul's Methodist Church \$320 for room use and paid out to date, \$200.70 for printing of the GLUE. Two other issues of the GLUE

CLUB NEWS

were printed by **John Estes**. We spent \$450 for kits and books to use as door prizes or for re-sell to our club members. We have 50 paid up members in good standing and three comp members, either on active duty or honorary in standing.

John reported that with all of that we are still solvent and the club voted to send one trophy package to the Phoenix, AZ chapter for an upcoming event.

We had a light turn out at the meeting with only 30 members present.

Thanks go the **Fabian Nevarez** for taking the pictures for the Sept issue of the GLUE.

A brief note, the meeting dates are printed on the last page of the GLUE.

MODEL CONTEST

This meeting was the third contest meeting of the year. However there were only five models entered, two which were duplicate entries and only the highest score of the multiple entry group was selected for consideration. As we had a car, a bus and a submarine, all entries were considered to be in the miscellaneous category.

Mike Garcia took first place with his HobbyBoss 1/350th Type VII B U-boat.

Jose C. Diaz took second with a 1939 International Bus, scratch built from paper.

Third Place went to **Steve Herren** with a Cobra in 1/24th scale. Congratulations to all.

SHOW & TELL

Jim Davis was back with another of his two of the same, different scales. Jim is now into Hawker Sea Furies Mk. FB-11's. They were marked in the colors of number 724 Squadron Royal Australian Navy. The 1/48th scale one was built from the Hobby Craft kit and the 1/72nd was from the Premier

Models kit. I understand that Jim has some more Sea Furies in the mill as WIP's and he will present them at future meeting. Nice.

Robert Cunningham, son of **Mike Cunningham** and who will be one of our new Junior members brought a

Warhammer 40K Demon Prince to show.

John Estes brought a Hasegawa S-3 Viking in 1/72nd scale to show his efforts at painting the wing walks. He said that it only took about 900 pieces of tape as he had to do it twice during

the past week. He also had an Italeri Do 217N Night fighter as a work in progress. To follow up on a discussion on free hand camouflage in 1/72 scale, he brought a Hasegawa Mitsubishi F-1 and a T-2 in the aggressor paint scheme. His last model for this discussion was an F-4 Wild Weasel built from the ESCI kit.

Mike Garcia had his contest winning HobbyBoss 1/350th scale Type V11-B U- boat to show.

Mike King brought several models to show. He had a Fokker DRI built from the Encore kit in 1/72nd scale,. Another was a Fokker DVII built from the Roden kit. He had a Monogram AH-1G in his usual scale of 1/72nd and as WIP; he had an Italeri UH-1D being converted to a UH-1H. Nice work.

SHOW AND TELL

Fabian Nevarez had his latest model to show. He brought a 1/48th scale HobbyBoss Easy to Assemble kit of the P-47D marked as Gabreski's aircraft. Fabian also brought as a WIP an Airfix 1/48th scale Sea Harrier in the Falklands War color scheme, or as Fabian usually states in the Maldives scheme. He also had an F-84 kit in 1/32nd scale in the box to show.

Julio Sanchez has WIP's, a La-5N and a Spitfire XIX, both in 1/32nd scale and both scratch built using Bondo and other materials.

Duane Velasquez brought an A-Model Yak 25 NATO code named the "Flashlight" in 1/72nd scale. A neat built of a rather to most modelers, an obscure kit of an obscure aircraft.

Note: We have one more contest meeting in December. You will have a couple of months to finish models for that contest.

Our next meeting is **October 7**. **Our next display/show is on November 11 at Bassett Place Mall** in honor of Veteran's Day.

Make plans to participate in our events.
