Dixi Fischer's Halloween WIP

We held our first meeting in several months with 17 folks attending. It was great to meet again. David Hassler attended his first meeting since 1996. He retired recently and was ready to return to modeling. Welcome back, David. We will meet again in November if the church allows us to do so. This was the first Sunday the church had been open for meetings inside the building since late March.

One of our members, Ruben Martinez had surgery recently and is was doing great at last report.

Thanks to Michael Kennedy and Kevin Malloy for providing pictures of the meeting. There were a large number of models brought by the membership on the tables.

Kevin Malloy will be moving to Colorado as his wife is being assigned to Ft. Kit Carson by the Army. The Best you and your family.
